John, regarding the documents I gave you yesterday, please don't share the papers...I put them together for you (and Ann if needed) only. If others need the information, I am happy to give a verbal briefing, but not documents. The case is not available for a PRA request and I'd like to keep it that way.

Also, as an fyi, I am fairly confident that Sandy has not had access to this level of detail...at least not from the PD.

When the supplemental report of the interview of [REDACTED] is done, I will get that information to you.
