PROCESS AND RESOURCES 5

THEMES 8

STRUCTURAL SUGGESTIONS/IDEAS 11

First Structural Suggestion:

**Create and fill a new, full-time position:
“Athletics Health Care Administrator” 11**

Second Structural Suggestion:

**Create a Specialized Appeal Panel From Which Employees in the Athletic
Department or UHS Could Secure An Independent Review of Adverse
Employment Actions 18**

Third Structural Suggestion:

**For Health and Safety Matters, Require the Athletic Director to Report
Directly to the Medical Director of University Health Services .. 20**

Fourth Structural Suggestion:

**The Associate Athletic Director for Performance, Health & Safety
Should Be Supervised Directly By and Should Report Directly to the Head
Team Physician 21**

Fifth Structural Suggestion:

**Require the Associate Head Athletic Trainer for Sports Medicine and the
Head Athletic Trainer for Football to Report Regularly and Directly
to the Head Team Physician for Football 23**

Sixth Structural Suggestion:

Openly Acknowledge That the Head Strength and Conditioning Coach for Football Reports, *But Not Exclusively*, to the Head Football Coach, While *Also Requiring* the S&C Coach to Report Directly to the Head Athletic Trainer for Football 24

Seventh Structural Suggestion:

Assure that the Associate Team Physician Always Is an FTE . . .26

Eighth Structural Suggestion:

Hire a Licensed Clinical Psychologist to Work Exclusively, as a Specialist, with Athletes Who Face Psychological Challenges 26

NON-STRUCTURAL SUGGESTIONS 28-40

Attachment A: Persons Interviewed or Spoken With

In Connection With This Project 41

Attachment B: Perfect World Organizational Chart With Direct and Dotted

Line Reports 42-43
