Hi Alex,
I think since you have a week off, it would be a good idea to go down to the police station, the records department and buy a copy of the police incident report....
The Case No. is 04-018791, unless you have a fax number, I can fax to you....
It's good to have a copy just for your files in case this gets out of hand...keep in touch and call me when you are reinstated so I can write another story saying you are back coaching...

Dear Sharon,
Thank you on your impartiality on the article, I know is so hard to write something about that situation, but you show great skills and I am thankful for your notes.
I have been a very "intense" coach all my life, and the only thing what I want is to work, is bad to have people who wants to disturb this.
I hope everything going well and you can start mention Coach Alex for his program and results.

Thanks again
ALEX
